Hi Peter

### Statutory Filings

From 1 May 2015 the registers maintained at the NZ Companies office need to contain more information as Stephen Layburn has set out in his email of 8 May.

1. Silverwood Forest Corporation Limited (362793)

Directors: Full names and addresses  
Date of Birth  
Place of Birth

Please complete the attached schedule and email back to me.

2. Silverwood Land 2015 Limited Partnership (2619218)

Full list of limited partners and for individuals their date(s) of birth. How will this be put together? I guess you have a list to which can added DoB etc.

Regards  
Geoff Bowker
