Re: 2009 Taxable profit for Silverwood Forest partners

2009 Tax losses for Silverwood Land partners

Dear Silverwood partners,

Please note section IE 1(2B) of the Income Tax Act 1994; this limits the use of special partnership losses where the partner has no assessable income (this was also introduced at the time of the repeal of HC 1)

If you have already filed your 2009 return we attach below a suggested letter that you could send to the IRD.

TAXABLE PROFIT

For each partnership unit the 2009 Profit or Loss is as follows:

	This Year-2009
<u>Silverwood Forest special partnership</u> (IRD Registration number 57-129-735) PROFIT \$	343.30 per unit
<i>(Profit for Last year-2008 \$322.02 p/u)</i>	
RWT	\$ 170.48 per unit

[This year Silverwood Forest Partnership made a profit. Because all prior tax losses were used up in the 2007 year, this results in a taxable profit in the 2009 tax year.]

TAX DEDUCTIBLE LOSSES

<u>Silverwood Land special partnership</u> (IRD Registration number 57-129-751) Loss \$	117.37 per unit
<i>(Loss for Last year-2008 \$ 66.46 p/u)</i>	

Units held by you:

The proxy form send to you this week has a label on the top right which indicates the name, address and the number of units our records show you hold: (1F,4L) means 1 Forest (SFP) unit and 4 Land (SLP) units.

Yours Sincerely,

Peter Bould
Director
